

Thank you for your purchase!

Thank you so much for purchasing the 2026 Editable Calendar Canva Template Bundle! I'm truly grateful for your support and can't wait to see the beautiful creations you bring to life using this template.

This bundle was designed with creators like you in mind — whether you're using AI-generated art, photography, or illustrations, you now have a ready-to-go framework to sell stunning, professional calendars.

Before you dive in, please take a moment to review the Terms of Use below to ensure you're using this product within the license agreement.

Terms of Use

✔ Permitted Uses:

You can use these templates to create and sell your final, flattened calendar products in both physical and digital formats.

Examples:

- Printable or digital calendars for Etsy, Shopify, or personal websites
- Gifts for clients, students, or family members
- Branded calendars for your audience or customers

✗ Prohibited Uses:

To protect the integrity of this product and its resale value, please note:

- You cannot share, sell, or redistribute the Canva template itself or the PDF file containing the template link.
- You cannot sell this template as-is or make it available for other users to customize.
- You cannot include this Canva link in a digital product unless you've fully customized the file and are selling the final product only.

Canva Notes: Some fonts or graphics may require a Canva Pro subscription. If Canva makes changes to their platform (e.g., removing elements or adjusting access), we are not responsible for any future limitations.

✉ Need Help or Want to Share Your Work?

I'd love to see what you create! Tag or mention me if you're posting your calendars on social or send a message if you need assistance.
